

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

OCTOBER 11, 2005

**RELATED TO ITEM 16**

Several property-owners in Gorman have submitted an application to adjust the boundary between Los Angeles County and Kern County. Item 16 before the Board of Supervisors would set December 6, 2005 as the date for a public hearing relative to this proposed boundary change.

Although State law mandates specific requirements for public notice, the law does not necessarily require notification to all individuals who may be impacted by the proposed boundary change. It is therefore imperative that the County issue public notice above and beyond what is required by State law.

I, THEREFORE, MOVE that the Board of Supervisors:

- Approve the staff recommendation for Item 16;
- Direct the Executive Officer of the Board to advertise the public hearing in the Mountain Enterprise, Antelope Valley Press and the Daily News; and
- Direct the Executive Officer to send advance written notice of the public hearing to all property-owners and to all registered voters within the area affected by the proposed boundary change.
